

Dane Court Grammar School

Curry Night and Auction of Promises

Why are we holding an auction?

- We need to raise some money to kick-start the funding of our big Diamond Celebration day on 1st July.
- An element of the 'Diamond Legacy' will be to fund some of the new kitchen area in the Food Technology Department.
- Some of the money will be going to a charity, supported by Thanet Schools, called Global Challenge.

Global Challenge works collaboratively with partners in the Soroti district of Uganda to initiate and maintain a range of projects focusing on education, alleviating poverty and suffering, and establishing initiatives aimed at improving self-sufficiency.

The charity's largest project is Crossroads Secondary School which it finances and supports, providing education to around 300 children. The charity's other big initiative is to provide practical help to young people with disabilities and learning difficulties, especially in the outlying villages around Soroti.

Food and drink on the night

Gadds' brewery will be providing a bar - all takings are being kindly donated to our causes. Curry, naan, rice and dessert will all be provided as part of your ticket price.
