

Friday 13 March 2020

Dear parent/guardian

As I'm sure you are aware, the government have updated their response to the Coronavirus outbreak and their advice to the public. Please check the new guidance about symptoms here:
<https://www.nhs.uk/conditions/coronavirus-covid-19/>.

If your daughter or son is unwell and unable to attend school please contact us on their first day of absence and every day they continue to be absent. This can be done by phone or email to
admin@danecourt.kent.sch.uk

The government have also advised against any international school trips. We are currently working with our trip organisers and insurance company regarding this issue. As you'll appreciate, they are inundated with calls at present so we ask for your continued patience. If your child is booked on the Madrid, Iceland or Italy trip we will be in touch with further details in due course.

We will continue to reinforce to students the importance of good hygiene practices, especially regular hand washing, through our house assemblies and mentoring sessions. Please reinforce these messages at home. If at all possible, please send your child to school with a supply of their own tissues and antibacterial hand gel.

Many thanks for your continued support.

Martin Jones
Head of School
