First Half Term Successes

After having a brilliant first half term we look forward to continuing our successes. Our year sevens have settled in well and joined in with many house activities despite being new and not knowing many people. Our Year Nine won the interhouse netball and Year 7 won two house quizzes. Also, years 9 and 10 won the house dodge ball competitions winning valuable points for Neuchatel!

Heroes

I would like the house to contribute to the Help for Heroes charity during the week on this theme – starting 14th November. Help for Heroes helps wounded soldiers and servicemen and is a worthwhile cause. These men and women risk their lives to protect us and deserve our support. Any ideas for fundraising? – please see Cameron Kobylanski, House Prefect.

Marie Curie Cancer Care

On our charity raising non-uniform day, Friday 21st October, we hope to raise lots of money! This is a great cause and will go towards Marie Curie Cancer Care, which helps terminally ill people, giving them the choice to have care at home. Hundreds of people will be helped by your donations so please take part, **it's worth it!**

Some pictures of Neuchatel in Switzerland.

Comments From The Year 6 Visitors 19/10/11

On Wednesday 19th, our future year sevens, currently year sixes looked around our school. We decided to interview them to see their first thoughts of, what might be their new school. This is what they said :

Upton—**"It's very big. I like the space!" "Its first on my list! I like the library".**

"House system is a good idea."

Salmestone—**"The P.E. Hall and the Music room are good."**

"It's pretty cool!"

St Saviours—**"I love this school." "Bright and modern! Good facilities." "I like the feel and the space".**

Herne Bay—**"The I.T. Plaza is great. I also like the layout."**

Other comments include :
"Massive! Impressive and there are way more pupils than junior school!"

Palm Bay Primary—**"Amazing! Its pretty."**

Minster primary—**"I like the style of the school"**

IIN say.....

CONGRATULATIONS!
Congratulations to
Courtney Horey for
being selected into the
Kent Rugby squad. He
received this news last
week after competing
against over 100 other
boys. Neuchatel are
very proud of his
achievements and wish
him the very best in the
future.

Head of House

Well done and thank
you to our editors and
to
everyone who
contributed by
interviewing year 6s
during Open day and
evening.
Happy Half-term!!
Dr J

JOKES!

- Its not that John doesn't like school its just he doesn't like the principle of it.
- Two aerials got married, the wedding was rubbish but the reception was great!
- My dog took his driving test yesterday, he failed cause he couldn't parallel bark.
- You need a guy who can put two animals in an arc, I noah guy

Riddle

One day, five men made their way to a church, The heavens opened and it began to rain. Four of the men went for cover but got wet. The man who stayed where he was **didn't get a drop on him. He didn't have a raincoat, hat or umbrella or anything like that.**

Work Experience

At the beginning of the year all year 11 pupils took part in work experience. Pupils were either placed or chose their own placement for the duration of the week when they experienced what work

is really like. Some examples of people's placements are Schools, Nurserys, Hairdressers, Vets, RSPCA, Courts and many more. Students can learn a wide range of skills and some were even

offered a part time job at the end of their placement.

Business of Enterprise—coming later this year to year 10!!!

We started the Business of Enterprise at the end of last year as year 10s. This experience enabled us to build up skills in many different areas such as presentation, research, working well in groups. There were three stages to the competition that lasted over several

months. We are fortunate enough to have one of the finalists in Neuchâtel Mollie Page. The winning group had to travel to Canary Wharf, London where the final presentation took place. This is where they **were awarded 'best oral presentation'. The prize** was a day trip to London,

where they visited the BBC studios, Madame Tussauds followed by a meal and a evening performance of Wicked at the West End. We think this is a great project because you have the opportunity to work with different people having lots of fun.
